

**State of Nevada-Department Of Health and Human Services
Division of Mental Health and Developmental Services
Northern Nevada Adult Mental Health Services**

Northern Nevada Adult Mental Health Services (N.N.A.M.H.S.) is currently seeking a full-time, Licensed Pharmacist for our medication pharmacy located in Sparks, Nevada. Near beautiful Lake Tahoe in Northern Nevada, we offer a destination location to live, work and play.

N.N.A.M.H.S. is a State of Nevada agency whose mission is to provide psychiatric treatment and rehabilitation services in the least restrictive setting to support personal recovery and enhance quality of life. As an innovator in program design and advanced service delivery systems, we provide a full range of service offerings to best meet the needs of our consumers. We are accredited by the Centers for Medicare and Medicaid Services (CMS) and by the Joint Commission.

Our greatest asset is over 270 seasoned professional staff, dedicated to the betterment of the lives of our consumers. Because we are committed to a culture of life-long learning, our employees know that N.N.A.M.H.S. is a place to grow, develop and build careers that are both dynamic and satisfying. It is the intention of Northern Nevada Adult Mental Health Services to provide an environment which fully respects human dignity and consistently reflects human caring.

Along with the opportunity to take the lead in innovative care and treatment for adults with mental illness, working for N.N.A.M.H.S. offers significant advantage. We offer flexible and innovative scheduling in our inpatient facility and outpatient staff members enjoy holidays and weekends off. We offer a very attractive salary and benefit package, Public Employees Retirement Plan, three weeks paid vacation per year, three weeks paid sick leave per year, paid holidays and no social security. Additionally, Nevada offers its workers the advantage of no State tax!

At NNAMHS we seek high-performing professionals who are competent communicators and are dedicated to creating a welcoming environment for the consumers we serve. Employees are called upon to exercise the highest ethical standards, accuracy, problem-solving, and resourcefulness and be equipped with the ability to multi-task and exercise time management. Competent employees have the opportunity to build meaningful careers and work with some of Nevada top experts in the Mental Health field.

DESCRIPTION: The incumbent is responsible for processing pharmaceutical orders and prescriptions; maintain records on usage and cost; establishing drug quality specification; and maintaining an inventory and purchasing system. This position acts as an advisor to professional health care staff and consumers on current pharmacology in order to maximize the quality of patient care. The incumbent will report to the Chief Pharmacist.

EDUCATION AND EXPERIENCE: Must possess and maintain current licensure as a pharmacist as issued by the State of Nevada Board of Pharmacy and a CPR certification. Fingerprinting and a background investigation required. The employee is responsible for all associated fees.
